

# IT'S ALWAYS BY DEATH

November 8, 2023

5:58 p.m.

## **YAHWEH IS LEADING:**

When I want to remove someone, I take them by death. People look at natural death as a way of fully ending, not realizing that after death, a person goes to the Hell or the Heaven. There are no wandering spirits from the dead person tormenting those still living. Once a person enters death, they separate from their fleshly shell and take on spirit travel, going through land masses, air, or space. The Hell is now set in the heart of the Earth. But pay attention; the Hell will one day be thrown into the lake of fire. And one day, there will be a new earth.

See it; most people cannot think past the grace they are currently walking in. They forget how it once was in the days of old. When Yahweh gave forward harsh judgments, Yahweh stripped away the grace factor. People today say, "We want more of Yahweh," but they do not want to know about Yahweh's nature. They want a nice, cushy God they think they can rub as if a genie. They want to believe I will bend and bow down to do their bidding. I AM YAHWEH.

Even now, I record every action. I look at the person's plan they take on within. I look to see how they view My written Word. I look to see if they will follow Me in their actions. I want clean hands and pure hearts. I want holy and righteous living. I want worship from you in spirit and in truth; this is what I want. If you love Me, you will keep My commandments; you will obey Me.

But what is the Church Age? The Church Age is a certain timing when Israel is placed to the side, and the Gentiles are moved forward. But there will come a time when I will once again look at My chosen people, Israel. I will gather them. I will bring them protection. I

will make sure they are kept safe. They will not be fully turned away, for one day, there will be a calling forward. Where is the Church when I give Israel this special protection? Think carefully. And when Satan's puppet is here, ruling in a governing plan, why would I not keep the Church safe but keep Israel safe? Israel would come to the forefront, and Yahweh would place emphasis on that planning way. And with the Church no longer in the plan of primary standing, those who are martyred and are under the altar will be carefully preserved.

Wait upon Yahweh. But still, even though I will gather Israel again, I will not let them gain a power surging as if under the Church Era, where grace governs. Pay very close attention. I must provide a catalyst. I will push that plan so that the antichrist will become visible.

And while people sit here and hope and pray that they can have their houses, land, jewelry, and fine natural things, there will be a gentle stripping away of grace as the Church era phases out in preparation for the age of the antichrist when those who are in Christ are conquered (Revelation 13). Something is coming that will push Yahweh's planning. People say that Yahweh will let a person sin repeatedly and let them enter Heaven. But shouldn't I view your heart and your motives? But shouldn't I see if you love Me?

It's always by death. Look at how I removed leaders in Scripture. It's rare that I remove someone from an office and let them live out the remaining days as if they never had an office placement. Look at how king Saul was stripped. He had his position as king while David was trained to begin that placement. A covering in a covenant agreement had to encompass both of them until David was ready, and then I stripped Saul of all and placed him under natural death. I spoke the death curse, spiritual stripping, and the breaking off of governmental order while Saul was still My office worker as a natural king. But then I had to wait until David was ready before I pushed the whole plan of Saul's full death into natural placement. I had to kill Saul once I removed him, or in a sense, lead him to

his death. Saul would have been a distraction, staying living while David took hold of his fullest placement.

What about those who would come against an office placement? Look at how often I cut them off. And they could not benefit from Yahweh. Natural death takes over, but while that person waits to be taken, the spirit realm confirms how they are damned, and the natural effects of the spiritual curse are seen in daily living. Are you seeing it? I can seal a person for natural death while they live. I seal their fates while they sit around and think that nothing is going wrong. The false way of living under grace.

When a prophet says what Yahweh gives them to speak: "You are damned," they are setting up what Yahweh has already sealed. The prophet is saying, "This is where Yahweh has you, and you only wait to be naturally removed." Korah and Ahab are other examples (Numbers 16; 1 Kings 22).

A prophet speaks what Yahweh says, "You are damned to the lake of fire": Yahweh first states the plan, and the prophet shares Yahweh's plan in a spoken way. But at the moment the words are spoken from Yahweh, the one who is scheduled to enter the damned state will take on a permanent seal of death by the ordered judgment for moving against Yahweh in a blasphemous nature. The person damned may not even know of the message spoken. And while living, that damned one may not ever know of the fate that waits for them, yet they wither under the spoken curse. The damned person's natural flesh will start to yield presentations of a spiritual mark, revealing how they are permanently under spiritual death. Naturally alive yet damned to the lake of fire.

Woe. Woe. Woe. Do not pray for the death of any prophet of Yahweh. I will not carry a plan of pretending I did not hear it.

This is how she will see her fate.
