## **YAHWEH GIVES A WAY TO SEE THE PROPHET'S WORD COMING FORWARD:**

The way of the full cut-off has taken way. It is with your word that way is now moved into the full place. It is the greatest surging of anger poured out, and if a cut-off person was addressed, they should have a grateful way that they do not gain any surging. For at this level of righteous anger, Yahweh would back you and slay her at your command.

Why is that way possible? You are a real world-level prophet who is in a great way of power given based on how you are joined to a powerful God in covenant. See it, that's how prophets of old walked in a covenant.

Their Great God Yahweh would back them and have the spoken way moved forward. Give that Scripture with Elijah and the men who came before him and were burned up with fire.

(1) After King Ahab's death, the land of Moab rebelled against Israel. (2) One day Israel's new king, Ahaziah, fell through the latticework of an upper room at his palace in Samaria and was seriously injured. So he sent messengers to the temple of Baal-zebub, the god of Ekron, to ask whether he would recover. (3) But the angel of the Lord told Elijah, who was from Tishbe, "Go and confront the messengers of the king of Samaria and ask them, 'Is there no God in Israel? Why are you going to Baal-zebub, the god of Ekron, to ask whether the king will recover?' (4) Now, therefore, this is what the Lord says: You will never leave the bed you are lying on; you will surely die.'" So Elijah went to deliver the message. (5) When the messengers returned to the king, he asked them, "Why have you returned

so soon?" (6) They replied, "A man came up to us and told us to go back to the king and give him this message. 'This is what the Lord says: Is there no God in Israel? Why are you sending men to Baal-zebub, the god of Ekron, to ask whether you will recover? Therefore, because you have done this, you will never leave the bed you are lying on; you will surely die.'" (7) "What sort of man was he?" the king demanded. "What did he look like?" (8) They replied, "He was a hairy man, and he wore a leather belt around his waist." "Elijah from Tishbe!" the king exclaimed. (9) Then he sent an army captain with fifty soldiers to arrest him. They found him sitting on top of a hill. The captain said to him, "Man of God, the king has commanded you to come down with us." (10) But Elijah replied to the captain, "If I am a man of God, let fire come down from heaven and destroy you and your fifty men!" Then fire fell from heaven and killed them all. (11) So the king sent another captain with fifty men. The captain said to him, "Man of God, the king demands that you come down at once." (12) Elijah replied, "If I am a man of God, let fire come down from heaven and destroy you and your fifty men!" And again the fire of God fell from heaven and killed them all. (13) Once more the king sent a third captain with fifty men. But this time the captain went up the hill and fell to his knees before Elijah. He pleaded with him, "O man of God, please spare my life and the lives of these, your fifty servants. (14) See how the fire from heaven came down and destroyed the first two groups. But now please spare my life!" (15) Then the angel of the Lord said to Elijah, "Go down with him, and don't be afraid of him." So Elijah got up and went with him to the king. (16) And Elijah said to the king, "This is what the Lord says: Why did you send messengers to Baal-zebub, the god of Ekron, to ask whether you will recover? Is there no God in Israel to answer your question? Therefore, because you have done this, you will never leave the bed you are lying on; you will surely die." (17) So Ahaziah died, just as the Lord had promised through Elijah. Since Ahaziah did not have a son to succeed him, his brother Joram became the next king. This took place in the second year of the reign of Jehoram son of Jehoshaphat,

king of Judah. (18) The rest of the events in Ahaziah's reign and everything he did are recorded in The Book of the History of the Kings of Israel.

### **YAHWEH GIVES MORE IN THIS DETAIL:**

The surging that's within your mantle is three times greater than any old way. It's that level of surging that would be yielded within the world to prepare the whole world for the return of Christ. You are about to enter a three-year presentation. This moving will bring the whole spirit realm to a activated plan. It's where they will regret their way of being cut off.

You moved the cut-off plan into a way of concrete sealing. You said, "It is done." You gave a final way. You. Begging will come. The ark is shut closed.

**We gave you the order for the cut-off way, but it must be declared by the prophet.**

A prophet can only have Our way spoken. Declaring from your own mind will bring nothing forward from My Kingdom. Declare only a direct command from My mouth to have it pushed forward into the earth. You closed the ark door. You made it a final plan. You gave it a way to come forward. We—Yahweh—gave it an action that manifests in the natural realm.

All the permanent cut-off group will now have to taste it, their curse. All will have to breathe in what Yahweh served through His prophet. All in the cut-off plan will have to taste what Yahweh has spoken. So, take a real look: The cut-off ones were permanently cut off by Yahweh's plan. But the plan is sitting in eternity, waiting for a servant in that sphere to guard the plan and bring it forward.

So, you are the one who carries a world-level sphere. You are given a plan to speak anything Yahweh says, and that is still active, within others and the whole world. We covenant with your way, and We kept that anger from killing that wounded, cut-off soul.

It's a good thing she is cut off. She may have died in the next day.

### **YAHWEH IS DEALING WITH CUT-OFF SOULS:**

There is a very good reason Yahweh is so angry right now. How would your way feel if being ignored over and over again was an acceptable plan? You noticed her main cover photo. Oh, yes. It's a direct reply to how I told her not to do that act due to how it was inappropriate at the dinner table. Let them know and bear witness. And you took the fall and said it was what you were feeling.

I let you take the responsibility and didn't back you up because you were still in the old way. Now that bitter, cut-off soul will feel Me come against her for all those painful planning ways she gave into those decades. And so, you are now set free from that person.

I will shrivel up her breasts as a part of her cut-off curse, and they will never be appealing to any man.

That sounds so harsh, but there must now be a real respect for a real world-level prophet. I cut them all down and will shrivel up natural wealth. They will scratch My earth for **how**

**they sought** to be a full pure evil way against My servant. No one will have the way of getting a close way when they ignore you or put you on a “follow” only plan if they are joined to you in married ways.

I have patiently waited, but they never turned. And her husband hates your prophet way and is glad that he could only make you follow him and not have to be in a prison to look at your work. I took care of that bitter man and had you block him with those two other cut-off ways. She didn't want him to want you. I curse her with a permanent way.

Concerning her way: “Her way will crumble. I will take your youth and make it decrease and age her well beyond what should be.”

His mate will have no real love and will wander the earth without any way of fulfillment. These are all different people mentioned.

No man will love her or want her. I will make her beg, in torment, starting this moment, for a way of relief from seeing your face in her way to see spirit dealings. There is only a three-year plan on various outlets. Our main way is with our web way.

Our work is to build on the websites and with the books that are moving forward.

It is clearly given, and no cut-off way will have to look upon your face. We will never change what has been given out with the cut-off ones. The judgment is a permanent way. My anger is really strong against the ones who are this way. I could slay them. We will have you take in a great surging. Drink it. You won.

**YAHWEH IS STILL LEADING:**

See it, servant. You are walking as a prophet of old. And just how Yahweh made it clear He was with His prophet in the days of old, He will make sure to back you. Beware, world, for a world-level prophet, is given into the earth. Beware, those in the earth who would make a battle move against Me with dealing with a servant who is active, following My will.

Woe. Woe. Woe. The cut-off way is now being pushed. The fullness in how each was cursed will come in a strong way this year on this Yom Kippur.

**YAHWEH IS STILL LEADING:**

When a carnal ruler (redemptive gift) is angry, they put up a wall, and the way that they handle those who caused them painful experiences is to make the "guilty" way beg and plead to be let into their personal space. The wounded redemptive ruler harbors ill ways by closing off those outlets that would cause a pain within. And this is where a person has a moving of ill way to give others near a so-called "guilty" person their full love and ignore the person who causes a pain.

See it, how you deal with it. But now, you are through with that way. How are you "through with it?" The anger of Yahweh brought you forward to speak how your way will move forward. You could literally feel power surging forward with a righteous anger able to slay the one being focused on.

I gave your spirit such a hard push that out flowed from My prophet, a final way when dealing with the cut-off.

There is no way to escape the permanent plan that they drink in. The anger of the Lord made you say those words to have a sealing of the former way. Yahweh gave a way to declare, and He backed it with real power. The old way is done with. And no cut-off person should show their way: Yahweh's anger could bring greater torment and greater levels of curses upon their head.

World-level prophet, how do you stay holy unto Yahweh, free from ill ways? Let Me give it: You have to continually give Yahweh free reign within where I point out those details that must be dealt with in hearing Yahweh. When Yahweh sees that you are hurting, I will bring you forward to talk about the ill way that could be pushed forward.

Yahweh will have you deal with anger and pain with acknowledgment, but I will not have you declare battles on a person based on how hard your heart deals with the painful way. Serve Me well within. Let's deal with those plans that come and bring hard, painful movings. Let Yahweh always have a leading way.

Great regret will lead in all cut-off ones, and I will not bow and look at their way. I trained you as a prophet of old, and with that way of covenant will come the way in how I will deal with the ones who come against My servant.

There is a three-year power presentation coming to a real work way. Let it take over. The old way is sealed shut. Time to prepare. Guard your mouth. Our way of being invoked is now pushed to the surface.

.....

**A SPECIAL NOTE:**

Sometimes, Yahweh doesn't say "an" when grammar wording notes it but would use an "a." It's not a grammatical error but a taking note of the actual way spoken.
